

Retail Garden Center Support Team Seasonal

We are seeking physically fit individuals who are willing to go out of their way to help customers and coworkers, have the ability to stay on task, and work in a fast-paced retail garden center environment. Training and certification will be required and provided for forklift and tractor operation.

Duties and Responsibilities

- Customer carry out and loading of product
- Keeping sales area clean and swept
- Unloading trucks
- Restocking
- Tagging products
- Watering
- Assist in day-to-day store functions, helping other areas of the nursery when needed

Job Knowledge and Expectations

- The ability of repeated lifting of up to 50lbs
- The ability to stand, bend and walk throughout the workday
- Willingness to work full shift outside, in all weather conditions
- Must be 18 or older to operate forklifts and tractors
- Dependable and trustworthy
- Flexible schedule, willing to work weekends
- Have reliable transportation
- Ask for help as needed
