

## **Landscape Installation Crew Member**

**Pay:** Depending on experience.

### **Job Description:**

Seeking physically fit individuals to join the installation crew for a growing retail nursery. Installation Crew members will work closely with the Crew Lead to ensure the delivery and installation of all trees, shrubs and perennials according to schedule and design.

### **Duties and Responsibilities:**

- Follow the direction of the Crew Leader and be able to work efficiently to install plant material.
- Interact politely with customers and aid the crew leader in solving problems.
- Keep to the daily delivery and installation schedule
- Report any problems to the designer/manager.
- Maintain organized and tidy equipment/tools daily
  - Cleaning all tools at the end of each workday
  - Keeping truck organized and clean
  - Preparing and loading truck and trailer for the next workday
- The ability to be adaptable - working on projects at the retail or wholesale nursery during the down season
- Complete other duties assigned by management

### **Job Knowledge and Expectations:**

- Some landscaping experience, including installing and maintaining plant material, soil work, mulching
- Some plant ID skills
- Must have a valid driver's license
- Experience with using forklift, tractor, and skid-steer is a plus
- The ability to lift up to 50lbs and safely undertake physically challenging work
- Be able to interact and work with customers
- Work as a team with other installation crew and follow instruction
- Work outdoors in all weather conditions
- Be neat and presentable
- Spanish-speaking is a plus
